

Four in ten Australians (42%) think sexual assault accusations are a way of getting back at men, yet research shows false allegations are rare.

National Community Attitudes to Violence against Women Survey, 2017

1 in 5 women have been sexually assaulted or threatened since the age of 15.

Australian Bureau of Statistics, Personal Safety Survey, 2016

Victims of sexual assault don't get justice in our justice system. You have an overall conviction rate of less than 5 per cent.

Professor Kerry Carrington, Criminologist and head of QUT's School of Justice, 2018

Ensuring ongoing positive consent is important as people have the right to change their minds, or the situation may change to one where they are no longer comfortable.

National Community Attitudes to Violence against Women Survey, 2017

Survivors are more likely to experience Intrusive thoughts and distressing recollections of the violence; nightmares and other sleep disturbances; depression; mood or anxiety disorders; increased risk of addiction issues.

The impacts of sexual assault on women, by Cameron Boyd, 2011

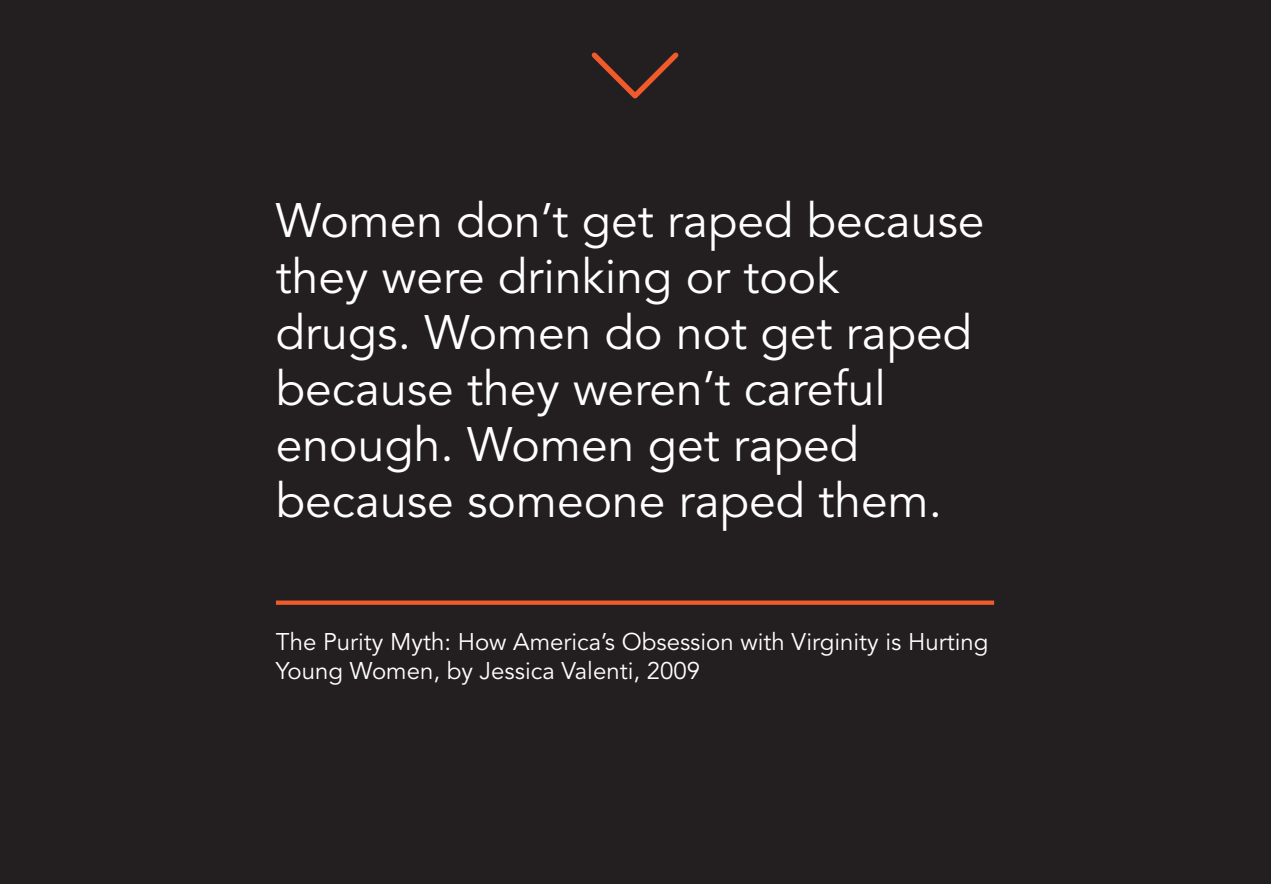

2 in 5 Australians believe many women exaggerate how unequally women are treated in Australia.

National Community Attitudes to Violence against Women Survey, 2017

More than 1 in 4 Young Australians believe if a woman sends a nude image to her partner, she is partly to blame if he shares it without her consent.

National Community Attitudes to Violence against Women Survey, 2017

Women don't get raped because they were drinking or took drugs. Women do not get raped because they weren't careful enough. Women get raped because someone raped them.

The Purity Myth: How America's Obsession with Virginity is Hurting Young Women, by Jessica Valenti, 2009

A disturbing number of young men don't understand that controlling behaviours in relationships are a problem, and too many believe that having control is a normal part of a relationship.

National Community Attitudes to Violence against Women Survey, 2017

It is estimated that 75% of sexual assaults are never reported.

Australian Bureau of Statistics, Recorded crime - Victims, Australia, 2017
