

THE ROLE OF THE REGISTERED NURSE WITHIN BYS MEDICAL CLINIC

As the General Practitioners are available on a sessional basis only, the Registered Nurse has an extended role within the Medical Clinic at BYS and is available for consultations with young people via appointment booked through Best Practice, or on a drop in basis as availability allows - outside of GP clinic hours.

THE REGISTERED NURSE IS AVAILABLE FOR

- ✓ Medical Emergencies
- ✓ First Aid
- ✓ General Health Checks
- ✓ Health Assessments
- ✓ Chronic Disease Management
- ✓ Sexual Health Checks
- ✓ Contraception Counselling, Including Emergency Contraception
- ✓ Immunisations
- ✓ Health Advice & Health Education
- ✓ Triage for GP Appointments
- ✓ Medication Enquiries
- ✓ Healthcare Related Enquiries
- ✓ Case Collaboration
- ✓ Outreach Services as Required
- ✓ Liaison with Other Health Care Providers
